As is typical with the District's contracts, this is a one-year contract with a second-year option to renew, at the sole discretion of the District. The financial tabulation is as follows:

	Company:	1 <sup>st</sup> Year Price:	2 <sup>nd</sup> Year Price:
•	Superior Waterway Initial Cleanup	\$76,642.80 <u>\$15,500.00</u> \$92,142.80	\$76,642.80

WHEREAS, the Fiddler's Creek Community Development District #2 ("District") is a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

#### NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE FIDDLER'S CREEK COMMUNITY DEVELOPMENT DISTRICT #2:

**SECTION 1. BENEFIT.** The Board hereby finds and determines that the provision of the services, facilities, and operations as described in **Exhibit "A"** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands, as shown in **Exhibits "A" and "B,"** is hereby found to be fair and reasonable.

**SECTION 2.** Assessment IMPOSITION. Pursuant to Chapter 190 of the Florida Statutes, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operations and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits "A" and "B."** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

SECTION 3. COLLECTION. That the collection and enforcement of the aforesaid assessments on platted lots as shown in Exhibit "A" shall be by the Tax Collector serving as agent of the State of Florida in Collier County and shall be at the same time and in like manner as ad valorem taxes and subject to all ad valorem tax collection and enforcement procedures which attend the use of the official annual tax notice under Chapters 190.0201(3) and 197.3632, Florida Statutes. Collection and enforcement of the aforesaid assessments on unplatted property as shown in **Exhibit "A"** shall be directly by the District and all collection and enforcement procedures available under Florida law shall be authorized and used, including, but not limited to, all procedures provided in applicable trust indentures. 50% of the annual off roll Debt Service Assessments applicable to *interest expense* shall be due and payable on or before October 25, 2023 with the remaining 50% of the Annual off roll Debt Service Assessments interest expense and 100% of the Annual off roll Debt Service principal expense being due and payable on or before April 25, 2024. Annual off roll Operation and Maintenance Assessments shall be payable in 12 equal installments being due no later than the last day of the month in which they are billed for, with the first installment being due no later than October 31, 2023.

**SECTION 4.** ASSESSMENT ROLL. The District's Assessment Roll, attached to this Resolution as **Exhibit "B,"** is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the Fiddler's Creek Community Development District #2.

**SECTION 5. Assessment Roll Amendment.** The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the District's Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

**SECTION 6. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

## 44 SECOND ORDER OF BUSINESS45

## Public Comments: Non-Agenda Items (3 minutes per speaker)

47 Resident Cesare Turrin reported that many streetlight posts are dull and chipped and
48 asked if repainting them is in the budget. Mrs. Adams stated faded posts are repainted in
49 phases because if individual posts are repainted, those nearby look bad in comparison. Mrs.
50 Adams will obtain proposals for the next phase of painting.

51 Resident Mike Laurence stated he is representing the Millbrook HOA regarding preparing a Request for Proposal (RFP) for irrigation filters for Millbrook Village. He said he was 52 53 told that Pulte made a connection to the end of the Millbrook irrigation pipe that serves approximately 18 homes in Amaranda and Aguamatics informed him that it should not have 54 55 been done that way. He asked if someone could look into it and get it fixed. Mr. Miller stated 56 this is not a CDD matter and Mr. Laurence should contact the builder. Ms. Viegas confirmed 57 with Ms. Lord that the builder is no longer working in Fiddler's Creek and the bond the 58 Foundation held is no longer available.

59

60	THIRD ORDER OF BUSINESS	Continued Discussion: Claim Against
61		Fiddler's Creek CDD #1 Regarding
62		Anticipatory Breach of Interlocal
63		Agreement [Traffic Signal Cost Sharing]
64		

Mr. Miller stated that CDD #1 motioned to file to dismiss the complaint filed by CDD #2 because they claimed it is a premature advisory opinion because the traffic signal might never be constructed. In oral arguments this week, CDD #2 pointed out that the light is being constructed and the completion date is next spring. CDD #1 made other points that were not in their written motion; they claimed that the Interlocal Agreement says that they will pay half the cost but not half the "gross cost". CDD #2's response is that the Agreement simply states that CDD #1 will pay half the cost and that means half the cost. CDD #1 also claimed that CDD #2

would have to plead that the contract was ambiguous and that is not the law; CDD #2 cited
cases accordingly. Oral arguments were held, and he expects decisions to be issued in the next
couple of days. If CDD #2 does not prevail, the decision will be appealed.

Ms. DiNardo noted that CDD #1's traffic signal was installed, which set a precedent for
payment of half the cost.

Ms. Viegas noted that, through May 25, 2023, CDD #2 has incurred \$9,260.66 in
litigation costs for work done on this matter.

## 80FOURTH ORDER OF BUSINESSHealth, Safety and Environment Report81

Mr. Hennessey reviewed the PowerPoint presentation and reported the following:

Tree Canopy Trimming: In the past month, palm trees throughout Fiddler's Creek and
 Ficus near Museo Circle, were trimmed. Presently, palm trees and hardwoods at The Club & Spa
 are being trimmed. Trees at the Marsh Point gazebo were trimmed back. Stumps across from
 Whisper Trace were ground down after the hedges were removed. Work continues at the
 Collier entrance.

88 A. Irrigation an

#### Irrigation and Pressure Washing Efforts

89  $\succ$  Irrigation: June precipitation was only  $4^{1}/_{3}$ ", which is down from an average of 90 approximately 9" from June through September, resulting in only two rain holds in the Villages 91 and three in the common areas.

92 > No major irrigation repairs were needed in June.

93 Pressure Washing: Cherry Oaks and Aviamar are completed; Oyster Harbor is underway.
 94 Mr. Miller, speaking as a Chiasso resident, voiced his opinion that trimmed palms leave

a lot of oil stains in the road. He asked for the street cleaner to address the oil stains.

96 > The marquee sign outside Cardinal Cove was pressure washed last week.

97 B. Security and Safety Update

98 Gate Access Control: The automated gatehouse number is 239-529-4139. Community
 99 Patrol's number is 239-919-3705.

100 > In an emergency 911 should be called first; then call the Community Patrol.

101 > Occupancy Report: There was a 40% drop in occupancy between May and June and a
 102 58% drop between February and June.

103 Mr. Miller asked how occupancy is measured. Mr. Hennessey stated it is measured by a 104 software that reads the resident license plates entering and exiting.

Gatehouses and Patrols: The Championship gatehouse will close next week; the
 Developer will address that in his update.

107 Activity by Gatehouse: Total entries, including residents, guests, vendors, and
 108 construction workers, dropped by 21% in June, and by 53% between February and June.

109 > Incidents: Overall totals reflect fewer incidents in the community. Parking incidents
 110 decreased; Officer Assists increased.

Speed Detection and Enforcement: Portable and fixed speed detection devices are in
 use. In June, 13 violations were recorded; one was referred to the Fining Committee.

The Collier County Sheriff's Office (CCSO) statistics are skewed because the person who
 generally compiles the data is on vacation. The numbers also include Collier Boulevard.

115 Asked what "Crime Prevention" refers to, Mr. Hennessey stated it refers to preventive 116 patrols in the area, not actual incidents.

A larceny occurred in Runaway Bay one week ago. Over \$100,000 in jewelry was taken.
It was an "inside job" by individuals with access to the residence, not a break-in. CCSO is
investigating.

120 > Two older model white vans with drivers identifying themselves as tree service crews 121 and displaying guest passes were observed taking coconuts from various properties. Both 122 companies were advised about the incident and all four individuals were given trespass notices 123 so they can be arrested if they try to enter the community again.

Asked if there were any further developments related to the juveniles ringing doorbells in the middle of the night, Mr. Hennessey stated, while the individuals are known, no crime was committed, and no charges were filed due to lack of evidence.

Asked about the jewelry larceny, Mr. Hennessey stated it appears that the suspect is a dog walker for only the resident affected. The suspect is not a resident. Further updates were requested but the matter is still under investigation.

130 Asked if the violator referred to the Fining Committee was fined, Mr. Hennessey stated 131 he is unsure, as the incident was just referred. Ms. Lord stated it will be presented at the 132 August meeting. 133 Ms. Viegas asked if Mr. Hennessey's title changed, because the website lists it as Director of Human Affairs and Safety. Mr. Hennessey stated he just spoke with the individual 134 who will correct his title. 135 136 137 **FIFTH ORDER OF BUSINESS Developer's Report/Update** 138 139 Mr. Haak spoke for the Developer, in place of Mr. Parisi, who was out of the country. 140 Mr. Haak reported the following: 141  $\succ$ Championship Gatehouse: The gatehouse will close Thursday, August 3, 2023. No access 142 in or out of the community through that gate will be permitted until completion. It is 143 anticipated that all ingress and egress will come through the Sandpiper and Collier 144 Boulevard/951 entrances through October 2023. 145  $\geq$ The notice was or will be emailed today to all residents and the local Police, Fire 146 Department, and Emergency Services have been notified. 147  $\geq$ Signs will be placed throughout the community at different locations to advise residents and guests about the closure and prevent unnecessary turnarounds in various locations. 148 149 Signs will also be placed outside the gates.  $\geq$ 

150 > The Rookery was notified so they can advise their members accordingly.

151 Mr. Miller suggested sending more emails throughout the process. Mr. Haak stated that 152 will be done.

153 Mr. Klug asked if a sign will be placed at the entrance to Championship, on 951. Mr. 154 Haak stated they are working on it, but it requires County approval.

155 Ms. Viegas recalled that, at the last meeting, Mr. Parisi stated that an email would be 156 sent in mid-July. Mr. Haak stated the definitive start time was just established last Friday.

157 Ms. Viegas asked Mr. Haak to give information to Mr. Parisi when he returns to the 158 office. She recalled discussion at the last meeting about the Irrigation Manager expense that 159 the CDDs pay and her question about the percentage of time the Irrigation Manager spends on

#### DRAFT

CDD issues, versus the villages and other entities, to ensure that the CDDs are being charged 160 161 the appropriate amount. She recalled that Mr. Haak was at that meeting. She stated that Mr. 162 Parisi sent an email claiming that the Board was questioning the performance and completion 163 of services; however, that was never questioned. The CDD needs to know what percentage of 164 the total time spent by the Irrigation Manager on irrigation services is spent servicing the CDDs, as the cost the CDDs pay should equal that percentage. She researched the total number of 165 166 gallons used each month and found that, on average, the combined CDDs only account for 167 15.79% of the total gallons. In comparison, the villages account for 32.14%, on average.

168 Mr. Miller stated the aggregate amount is needed to ascertain if the CDDs are paying 169 more than 15.8%.

Ms. Viegas stated she has several other questions to raise on the Agreement when Mr.
Parisi is present. Mr. Haak stated he will present the information to Mr. Parisi.

172

## 173 SIXTH ORDER OF BUSINESS174

## Engineer's Report/Update: Hole Montes, a Bowman Company

- 175
- 176 Mr. Cole reported the following:

Traffic Signal Status: The Florida Department of Transportation (FDOT) issued more comments and Trebilcock had a good call with the FDOT yesterday to address the minutiae. The good news is that Trebilcock will resubmit the plan this week addressing the newest comments and the FDOT promised to issue a Notice of Intent to issue the permit within two to three weeks.

182 Mr. Miller felt that the process was a bit late. Mr. Cole stated this is typical of the FDOT.

In the original bid, the design required fiber optic lines to be laid to the Manatee signal,
 but it appears that the FDOT will allow radio transmissions which will save \$100,000.

The permit will not be issued until the contractor enters into a Construction and Maintenance Agreement with the FDOT, with a bond; the CDD will need to coordinate that. Mr. Cole's suggestion is to authorize awarding the work to American Infrastructure Services based on the present bid price of \$1.42 million once the Notice of Intent letter is obtained from the FDOT. 190 Mr. Miller stated he is still uncomfortable that there was only one bidder. Mr. Cole 191 explained that it went through the public bidding process, as required, and there are a limited 192 number of bidders in this challenging environment due to labor and material costs. Mrs. Adams 193 stated they ran into the same lack of bidders at The Brooks where they advertised in other 194 counties and still only received two bids. Mr. Adams asked Mr. Cole how many potential 195 bidders he contacted directly, in addition to advertising. Mr. Cole stated he spoke to three or four and sent bid packages to them. Mr. Klug voiced his opinion that the bidding process was 196 197 followed properly and, while he shares Mr. Miller's concern, going out to bid again will delay 198 the process further and likely increase the cost. All other Board Members agreed.

199

202

203 204 On MOTION by Ms. DiNardo and seconded by Mr. Klug, with all in favor, awarding the contract to American Infrastructure Services, in a not-to-exceed amount of \$1.42 million, upon receipt of the Notice of Intent, was approved.

205 Mr. Cole distributed and discussed the following:

206 > Requisition 187, in the amount of \$14,734.75, for work on the traffic signal by Trebilcock
 207 and Hole Montes.

208 Ms. DiNardo asked if the second phase of funds to be recovered will be presented to 209 Halvorsen. Mr. Cole will follow up with Mr. Parisi about the payment.

210 Mr. Nuzzo asked who is responsible for the costs to maintain the traffic signal once it is 211 installed. Mr. Cole stated the County will be responsible.

The irrigation pumphouse replacement is scheduled to be completed by the end of
 September. He is coordinating with the architect to submit plans to the County for the building
 permit for the roof replacement. Bids to replace the pumphouse roof have been received.

215 > This week, Mrs. Adams advised that repairs are needed to the pavers in the circular area
216 around the Veneta fountain. A work order has been executed with the contractor.

Mr. Cole will be part of an Engineering call with Gulf Bay and Mr. Mark Minor to discuss
 pedestrian crossing signs, as several are missing, and some were added. He will gather details
 to proceed. It is estimated that more than 30 decorative signs will be needed; signs that would
 have cost \$200 will cost \$1,700 due to the decorative poles.

221 Mr. Cole asked Mr. Jake Long, of Juniper Landscaping (Juniper), to review the April 2022
 222 proposal the Board approved for approximately \$80,000 for the rear Amador swale project.

223 Mrs. Adams stated Taylor Morrison paid for work totaling \$73,000. Mr. Cole stated most 224 of that work was for drainage improvements along the rear of the swale and part of the work 225 was for removal of the Ficus hedge and replacement with Clusia. Mr. Cole stated an updated 226 proposal was requested and he is also working on obtaining the temporary license agreements 227 from the affected homeowners.

228 Mr. Pires stated the original homeowners' Temporary License Agreements were due to 229 expire on July 31, 2023, so he prepared extensions for an additional three months that were 230 signed by the Chair this morning. These will be scanned and sent as appropriate.

Mr. Cole recommended approving a not-to-exceed amount of \$90,000 for the project.

On MOTION by Mr. Klug and seconded by Ms. DiNardo, with all in favor,

increasing the previously approved Juniper Landscaping proposal for the

Amador swale project to a not-to-exceed amount of \$90,000, was approved.

- 231 232
- 233
- 234

235 236

237

238 Mrs. Adams requested the updated proposal.

Ms. Viegas recalled that Mr. Cole was going to send documentation to Mr. Parisi regarding the Developer agreeing to pay for future bond renewals. Mr. Cole stated he spoke to Mr. Jonathan Walsh, who sent documentation to Mr. Parisi indicating that the Developer will pay. Since Mr. Parisi is not present, Mr. Cole will forward the documentation to Mr. Haak. Ms. Viegas asked Mr. Haak to confirm that Mr. Parisi agrees to pay.

244

245SEVENTH ORDER OF BUSINESSConsideration of First Amendment to the246District Management Services Agreement247for Lien Roll Services248248

249 Mr. Adams stated Ms. Alice Carlson, of AJC Associates, who currently does the lien roll 250 work for the CDD, is retiring. Asked why the March 1, 2023 letter from Ms. Carlson was not 251 addressed sooner, Mr. Adams said the plan was to address it during the budget process. Asked 252 if Ms. Carlson was asked to recommend other companies, Mr. Adams stated she was not; she

knows that Wrathell, Hunt and Associates (WHA) does the same work. Asked what qualifications WHA has and who would perform the work, Mr. Adams stated WHA's Treasury Services Department that has a staff of about 12 prepare Assessment Methodologies, Lien Rolls, and related services; WHA proposes to seamlessly assume performing the same services at the same fee, which has not increased since 2005.

Ms. Viegas asked if services, such as bond payoff amounts, definitions of fees, etc. will be on another website available to residents. Mr. Adams stated there will be an Estoppel Link on the CDD website; inquiries submitted will be addressed within 24 to 48 hours. The link will be available beginning on October 1, 2023.

- 262 Ms. Viegas stated she sent edits to the Amendment. Mr. Adams stated those edits will 263 be incorporated, along with Mr. Pires' updates and revisions to the original contract.

## 270 EIGHTH ORDER OF BUSINESS271272

#### Consideration of Synovus Bank, Investment Outline for Excess Operating Funds and Sample Resolution

274 Mr. Adams presented the Synovus Bank Agreement for opening a SCM Money Market 275 for the CDD. Accounts will be fully collateralized as required by Florida Statute Chapter 280. 276 Synovus has a department dedicated to lending to governmental entities; Mr. Jim Mitchell is a 277 former employee of the Clerk's office, and the bank is very user-friendly. Interest will be posted 278 monthly and compounded. Any CDD that keeps a balance over \$500,000 can get an interest 279 rate that is indexed against the Federal Funds rate, minus 75 basis points, for a 4.5% interest rate as of July 7, 2023. Accounts between \$200,000 and \$500,000 can get an interest rate that 280 281 is indexed against the Federal Funds rate, minus 100 basis points, for a 4.25% rate. Accounts 282 below \$200,000 can get an interest rate that is indexed against the Federal Funds rate, minus 175 basis points, for a 3.5% rate. Accounts will be reviewed on the first business day of each 283

284 month to set the interest rate for that month. Interest will be compounded daily and fully285 liquid.

Asked if mid-month withdrawals will affect interest rates, Mr. Adams stated interest rates will be prorated as they are in the Operating Account. Asked if these Money Market accounts have a limited number of transactions per month, Mr. Adams stated to his knowledge they do not. Asked who will be the authorized signer on the account, Mr. Adams recommended authorizing the Chair; countersignatures can be provided by Mr. Adams, the Treasurer or Assistant Treasurer.

292 Ms. Viegas noted that the Agreement states that the person signing will be personally 293 liable. Mr. Adams stated that line will be changed.

294

296

297 298 299 On MOTION by Ms. DiNardo and seconded by Mr. Klug, with all in favor, the Synovus Bank Investment Outline for Excess Operating Funds and Sample Resolution, as amended, were approved.

 Proposals to Install Landscape Buffers

 302

303 A. GulfScapes Landscape Management Services

304 B. Juniper Landscaping of Florida, LLC

Mrs. Adams distributed a revised \$18,875 proposal from GulfScapes for 151 cocoplums to fill in the gaps. Ms. Viegas stated she walked the area in question, and she does not believe all 151 cocoplums will be needed. She asked if the CDD will be credited for any cocoplums not planted. Mr. Barrow stated the CDD will only be charged for the number planted; he will revise the wording to state "up to 151" cocoplums.

Ms. Viegas stated there is enough money in the Landscaping Contingencies line item in the Fiscal Year 2023 budget and asked if the work can be completed before October 1, 2023. Mr. Barrow replied affirmatively, weather permitting. Mrs. Adams stated that way it can be done and filled in before season.

314

315 316 317	On MOTION by Ms. DiNardo and seconded by Mr. Klug, with all in favor, the revised GulfScapes proposal for up to \$18,875 for up to 151 cocoplums, was approved.
318 319 320 321 322	TENTH ORDER OF BUSINESS Continued Discussion: Landscape Improvements for Fiscal Year 2024
323	Mrs. Adams noted that the \$18,910 GulfScapes proposal to replace bougainvillea at the
324	Veneta entrance presented at the previous month's meeting is not included in the agenda.
325	Resident Shannon Benedetti discussed the photographs and the request for
326	replacement of bougainvillea behind the Veneta fountain. LandCare previously replaced the
327	plantings with seedlings that did not survive. She was advised that this replacement must wait
328	until next year and suggested bringing turf to the center to make the beds smaller. Mrs. Adams
329	stated she discussed this with The Foundation and the consensus was that this community is
330	based on bougainvillea and a hardier type of bougainvillea will be planted.
331	Mr. Barrow stated the new plants installed are the New River variety.
332	Ms. DiNardo observed that the bougainvillea have had trouble surviving for many years.
333	Mrs. Adams discussed issues with chemicals from the fountain waters at Veneta.
334	Ms. Benedetti stated the photographs were taken just before the last meeting.
335	Mrs. Adams stated the current budget includes adequate funds to have the work
336	completed now.
337	Ms. Viegas voiced her opinion that the bougainvillea have always had problems and the
338	ones at the Aviamar entrance are not doing well. She suggested considering another type of
339	plant. Mrs. Adams recalled a County representative recommended diversification, but Mr. Parisi
340	was adamant about installing bougainvillea. Ms. Viegas suggested The Foundation pay for
341	replacements since it is a continual expense. Ms. DiNardo supported maintaining the current
342	level of beautification in the community.
343	Ms. Viegas asked for the number to be reduced to install turf. Mrs. Adams stated that,
344	months ago, The Foundation advised that it wants to keep the bougainvillea. Ms. Viegas asked
345	for the proposal to be changed to "up to 305" seven-gallon bougainvillea. Mr. Barrow stated he

will install up to 305 seven-gallon bougainvillea; the CDD will be credited for any plants not
installed.
On MOTION by Ms. DiNardo and seconded by Mr. Klug, with all in favor, the

350 revised GulfScapes proposal, in a not-to-exceed amount of \$18,910 for up to 305 seven-gallon bougainvillea exiting the Veneta fountain circle, was 351 352 approved. 353 354 355 Ms. Benedetti asked about tree stumps removed on Campanile Circle. Mrs. Adams said 356 she was never billed for them so reimbursement from Juniper was not requested. 357 ELEVENTH ORDER OF BUSINESS Continued Discussion: Fiscal Year 2024 358 359 Budget 360 361 Mr. Adams stated he adjusted the budget based on the last meeting; the bottom line is, 362 assessments will stay the same and \$9,300 will be needed from the fund balance to offset an 363 assessment increase and keep assessments the same as the Fiscal Year 2023 assessments. The 364 adjusted budget includes a conservative estimate of \$70,000 in interest earnings from the new 365 Synovus Bank Agreement approved today. Ms. Viegas asked if the lake maintenance amount needs to be adjusted based on 366 367 knowledge of recent bids in communities. Mrs. Adams and Mr. Adams believe the amount will 368 stay the same, so no adjustment is needed. Ms. Viegas noted that, based on figures provided by Mr. Parisi, the "Irrigation Manager" 369 370 amount will need to be adjusted based on the amounts in the agreement, which are for the 371 calendar year rather than the fiscal year. The amount should increase from \$52,500 to \$54,500. Ms. Viegas noted the "Landscape services-improvements and renovations" line item 372 was supposed to be reduced to \$50,000, per last month's meeting minutes. Initially the Museo 373 374 buffer was included at \$84,000, which has been reduced to \$18,875, which will be paid for from 375 the Fiscal Year 2023 budget.

Discussion ensued regarding amounts approved at the last meeting for landscaping and renovations to irrigation systems, which totaled \$107,500, and funds now allocated for Fiscal Year 2023.

379 Mr. Adams stated the consensus was to keep assessments flat; fund balance will be 380 trued-up as necessary.

381 Mr. Miller stated, based on the pending litigation, he recommends moving \$10,000 from 382 the Fiscal Year 2023 budget to Fiscal Year 2024. He requested the following verbiage be added 383 to Page 5 of the definitions under Roadway Capital Outlay:

384 Insert "to which CDD #2 asserts in pending litigation it is entitled" after "Halvorsen"

385 Ms. Viegas asked for confirmation that her edits to the definitions sent to Mrs. Adams 386 and Mr. Adams will be incorporated. Mrs. Adams replied affirmatively.

Mr. Miller reiterated that he wants \$10,000 added to the litigation line item from the Fiscal Year 2023 budget to Fiscal Year 2024 which will then total \$15,000. Due to the amount already spent, Mr. Klug suggested keeping \$20,000 in the Fiscal Year 2023 budget and adding the \$10,000 to Fiscal Year 2024, for a total of \$35,000 for the litigation with CDD #1.

391

392TWELFTH ORDER OF BUSINESSAcceptance of Unaudited Financial393Statements as of June 30, 2023394

395 Mrs. Adams distributed updated financials reflecting Ms. Viegas' corrections.

396 Ms. Viegas asked about the \$203,494 "Due From CDD#1" amount. Mr. Adams stated it is397 for their portion of the pumphouse replacement deposit.

Mr. Miller mentioned the large amount in interest, year-to-date. Mrs. Adams noted a lot of it was from an insurance claim and added that Egis is being difficult with respect to two other claims so the CDD might not get paid for those. Egis is questioning lightning in the area. Mrs. Adams noted it was a power surge and an affidavit from the vendor was sent; a response is pending.

403 Mr. Adams stated, after the changes made to the Fiscal Year 2024 budget discussed 404 earlier, there is no longer a need to use any fund balance to keep assessments flat, year-over-405 year. It is possible that \$41,200 will be added to the fund balance.

406		Mr. Miller asked how the per unit cost is determined. Ms. Viegas noted the discussion

408	that a	all future growth in CDD #2 is included in the number because all have been platted.
